Friday, June 12 2015, 5:15 am - 1:00 pm

Join us aboard the Miss Hazel as we test the old saying that Destin, Florida, is "the Luckiest Fishing Village in the world." This charter boat can accommodate up to 20 people. Top of **the line fishing rods are furnished along with bait, ice, license, tackle and best of all ... a lot of fun.** Captain Bill Williams has many years of experience in the fishing industry and utilizes state-of-the-art marine electronic equipment to help locate the perfect catch. You are guaranteed to have a fun-filled and exciting outing on the Gulf of Mexico which offers a great variety of angling opportunities. There is plenty of fish to catch. Come catch Red Snapper, Trigger, Grouper, Vermillion Snapper, King Mackerel, Amberjack, Wahoo, Mahi Mahi, Tuna, Sailfish, and many more species. We will clean and prepare the fish, ensuring they are all set to cook when you are ready.

The outing is sponsored by Federated and everything you need to enjoy this day will be **provided including lunch. It doesn't matter if you are a novice or professional; all you need is an ability to have fun!**
