

AAAS Georgia Capitol Day

February 3, 2015

Please join us for our third annual Automotive Aftermarket Association of the Southeast (AAAS) Capitol Day event on February 3, 2015 at the Georgia State Capitol in Atlanta, GA.

Georgia members, you are cordially invited to participate in a full day of legislative sessions and visits with elected officials as we seek to personally advocate for our industry's priorities.

Experience the legislative process first-hand as you travel to Georgia's capital city and participate in meetings with members of the Georgia legislature and the Executive branch.

We encourage you to take advantage of this opportunity and join us in the Capitol to promote the industry, the association, our businesses and legislative issues with new elected officials and existing friends of our industry.
