

Automotive Aftermarket Fund Announces 2019 Dividend

December 11, 2018

As the Automotive Aftermarket Fund (AAF) enters its 27th year of providing exceptional work comp coverage, efficient claims management, and dividends to members, Chairman Sid Dooley, Associate Jobbers Warehouse, is pleased to announce the Automotive Aftermarket Fund 2019 dividend will be an average of 35%! AAF members have enjoyed a total of \$8.5 million in returns of premium dividends over the years. However, the 2019 dividend will return nearly \$800,000 to be returned to 243 participating companies!

This great profit dollar saving workman's comp program currently serves over 250 member companies. "We are very proud of the fact that forty of the Fund's current member companies have participated in the program since its creation in 1992. Their loyalty has been rewarded with great service and tens of thousands of dollars in dividends!" states Chairman Dooley. Florida, Georgia and Mississippi AAAS members participating in the association's AmeriTrust Group (formerly Meadowbrook/Star) work comp will receive another 10% dividend in 2019! The AmeriTrust Group program has returned a 10 -15% dividend every year since the program's creation!

AAAS members participating in both the AAAS Employee Benefit Fund Blue Cross program and either of the association's work comp programs are eligible for a 2% discount on their health insurance.

AAAS Chairman Keith West of Auto Supply Company, Bowdon, GA, states "Our two work comp programs continue to perform remarkably well. These great profit dollar saving programs deliver solid member value. I encourage you to consider either Automotive Aftermarket Fund or AmeriTrust for your business." Dividends are based on each program's overall performance, each individual member's attention to good hiring practices and workplace safety.

Automotive aftermarket businesses are invited to call the association for a no risk look at either of these great programs!
