

Automotive Aftermarket Association Southeast

Custom Credit Card Programs for Preferred AAAS Members

As your auto association, it is the duty of AAAS to keep our preferred members updated on valuable programs being offered to businesses. In keeping with our goals, Automotive Aftermarket Association Southeast has partnered with Superior Financial Systems to provide custom, competitive credit card processing rates to all members of AAAS.

SFS has dedicated itself to building a competitive program for merchant services. It is our goal to blend optimum savings and premium support into a comprehensive plan designed to provide a no hassle, one stop shop for credit card processing. We offer economical equipment pricing, custom rate set ups built around your customer base, check processing, and gift card programs. As a valued member of AAAS, we conduct free, no obligation fee analyses, and provide in depth explanations of how your existing program works, and ways that we can improve upon it.

To show our gratitude to AAAS for partnering with us, we have launched a special offer to all members of AAAS who sign a new contract with SFS for merchant services:

If you sign up, SFS will waive all credit card processing fees (UP TO \$1000.00) for the first month!

We would appreciate an opportunity to discuss our programs with you. We are excited to work with the members of AAAS, and look forward to speaking with you in the near future.
