### **AAF Announces a Record-breaking 32% Work Comp Dividend for 2018**

**MONTGOMERY, AL** – Automotive Aftermarket Fund Chairman Sid Dooley, Associate Jobbers Warehouse, Boaz, AL is very pleased to announce that AAAS members participating in the association work comp programs may look forward to record-breaking dividends in 2018!

This great AAAS program celebrated its 25<sup>th</sup> anniversary recently and now enters its 26th year of providing exceptional coverage, efficient claims management, and dividends to members. The **AAF 2018 dividend will be an average of 32%!** AAF members have enjoyed a total of \$7.5 million in returns of premium dividends over the years. The 2018 dividend is far and away the largest yet! This great profit dollar saving workman's comp program currently serves over 250 member companies. "We are very proud of the fact that forty of the Fund's current member companies have participated in the program since its creation in 1992. Their loyalty has been rewarded with great service and tens of thousands of dollars in dividends!" states Chairman Dooley.

Florida, Georgia and Mississippi AAAS members participating in the association's AmeriTrust Group (formerly Meadowbrook/Star) work comp program have enjoyed a 10 -15% dividend every year since the program's creation! The 2018 dividend will be announced soon.

Also, **members participating in both the AAAS Employee Benefit Fund Blue Cross program and either of the association's work comp programs are eligible for a 2% discount on their health insurance.** AAAS Chairman Keith West of Auto Supply Company, Bowdon, GA, states "Our two work comp programs continue to perform remarkably well. These great profit dollar saving programs deliver solid member value. I encourage you to consider either Automotive Aftermarket Fund or AmeriTrust for your business."

Dividends are based on each program's overall performance, each individual member's attention to good hiring practices and workplace safety.

Automotive aftermarket businesses are invited to call the association for a no risk look at either of these great programs!

#### **About AAAS**

Established in 1938, Automotive Aftermarket Association Southeast, Inc. (AAAS) is a nonprofit trade association headquartered in Montgomery, AL serving the automotive parts manufacture, distribution, service, and repair industry in Alabama, Florida, Georgia, and Mississippi.
